

LANL Foundation

2024 Geographic Scoring Rubric

Scored by: LANLF Staff

Purpose: This scoring rubric helps us weight and intentionally prioritize rural, Tribal & historically underserved communities. This score is considered alongside Committee scores and recommendations.

Criteria	NO	YES	Instructions for scoring:	SCORE
Serves a community that has been UNDERREPRESENTED (historically) in our grantmaking. <i>Underrepresented means the work benefits a community that is located in a geographic area that has received less funding in LANLF grantmaking history – such as certain towns, villages and counties.</i>	0	1	Give 1 point if the program/project/organization is SERVING and/or LOCATED IN a historically underrepresented/underserved community	Possible score range 0-1 points
LOCATED IN our service area	0	1	Give 1 point if the program/project/organization is LOCATED IN our service area	Possible score range 0-1 points
PRIMARILY SERVES & work focuses on/within rural community	0	1	Give 1 point if the program/project/organization SERVES a rural community	Possible score range 0-1 points
PRIMARILY SERVES & work focuses on/within Tribal community	0	1	Give 1 point if the program/project/organization SERVES a Tribal community	Possible score range 0-1 points
LOCATED IN rural and/or Tribal community	0	1	Give 1 point if the program/project/organization is LOCATED IN a rural and/or Tribal community	Possible score range 0-1 points
				Maximum Possible SCORE = 5
