

Northern New Mexico STEAM Framework Grant

LANL Foundation

Applicant Information

Welcome to the LANL Foundation STEAM Education Grant Application

Thank you for your interest in the LANL Foundation's competitive grant opportunity supporting STEAM (Science, Technology, Engineering, Arts, and Math) educators and programs in Northern New Mexico. To be considered for funding, applicants must submit a brief Letter of Intent as part of this initial application process.

If you have any questions or need assistance, please contact us at grants@lanlfoundation.org or reach out to Marissa Burns, Grants Coordinator, directly at (505) 753-8890.

Please provide a brief description of this proposal's objectives*

You may use this space to outline what programming, professional learning, or operational support this award would be used for.

Character Limit: 4000

How does your work align with the NNM STEAM Coalition's goals?*

Grants must align with one or more of the Northern NM STEAM Coalition's goals:

- 1. Ensure all students in Northern NM have access to inquiry-based STEAM learning in school every day.*
- 2. Increase access to high-quality out-of-school STEAM programming.*
- 3. Expand opportunities for students to explore STEAM career pathways.*

Character Limit: 4000

Please provide a timeline of activities related to this grant.*

Include the steps you will take to achieve goals stated above. This can be a general list of mechanisms, events, and collaborations associated with this proposal.

Character Limit: 4000

Please outline a budget narrative with intended use of funds.*

Ex: \$5,000 of this budget will be allocated to direct program support by covering transportation costs for X children to attend Y event(s) during the months of July and August, 2025.

Character Limit: 5000

How will children and youth in Northern NM will benefit from the proposed work?*

Direct benefit example: By funding this proposal, X number of children will have access to science kits directly in schools.

Indirect benefit example: By funding this proposal, teachers in X county will gain valuable training opportunities and be able to better-support their students in Y.

Character Limit: 4000

What commitment will your organization be able to make to contribute to this work?*

Grantees receiving this award are asked to participate in the NNM STEAM Coalition's STEAM Framework workshops and/or a site visit.

Character Limit: 4000
